- **Child Exploitation and Online Protection (CEOP)**
CEOP is the child protection command of the National Crime Agency(NCA).
The NCA has a wide remit related to serious and organised crime, which includes the protection of children and young people from sexual abuse and exploitation. CEOP protects children from harm online and offline, directly through NCA led operations and in partnership with local and international agencies. CEOP works with child protection partners across the UK and overseas to identify the main threats to children and coordinates activity against these threats to bring offenders to account.
